

VILLAGE GARDEN PARTY

Ernie and Eva Swift, left, learn about the goddess sculpture from Louise Bennett on the Villagers Garden Tour in Pinecrest. The statue is in the Zen garden, a part of Leticia and Robert Vernon's 'World Collection Garden.' At center, homeowner Leticia Vernon shows Howard and Rose David around the garden featuring rare palms, fruit trees, ornamentals, exotics and natives, the lush landscaping also include 67 varieties of orchids. At right, Shirley Ferguson learns about Semimole pumpkins from villager Marlin Ebbert in Pinecrest's Bamboo Growers Garden. The pumpkins are a wild squash that grow in remote parts of the Everglades, here the pumpkins are out of sight, growing on top of the pool enclosure. The garden belongs to Gary and Cindy Rich and features a significant collection of tropical bamboo.
