

### TOURING HOMES FOR THE HOLIDAYS

Raindrops didn't daunt attendees at the Villagers' 28th annual Holiday House Tour, held Dec. 5 at five historic homes in Coral Gables. Record-breaking ticket sales of well over 1,000 helped support The Villagers' mission of historic restoration and preservation in Miami-Dade County. Above, Glorian Leach, Cheryl Rubin, Villager Garth Fairbairn and Joy Borden take a break from the rain during the tour. At right, guests Bonnie Chase, center, and Sheryl Gent, right, listen to Villager Bonnie Hutton explain details of the meticulously renovated 1927 Mediterranean Revival home of Juan Carlos and Susana Menendez.
