### GARDEN STATE

Hundreds of garden-lovers ventured past hedges and gates to explore 'Joie, The Joy of Gardens' during The Villagers' 25th Annual Garden Tour. Held March 5, participants visited five distinct gardens in Coral Gables and South Miami, and stopped at the Coral Gables Congregational Church for refreshments and a garden gift boutique. Pictured here: Garden Tour co-chairs, Deena Bell-Llewellyn and Sheila Revell take a break in the Moon Gate garden.
